NURSERY COOPERATIVE: As soon as children can walk and be away from their parents, they are invited to the Nursery. This group provides parents of young children an opportunity to attend Mass without distraction on some Sundays in return for cooperative caregiving on other Sundays. Parents are required to participate as caregivers on a rotational basis.

LITURGY OF THE WORD FOR CHILDREN (LWC): LWC is a short but spirit-filled liturgical celebration during Mass that aims to nurture a Christ-centered community and build the spiritual experience of Mass for children through relatable ritual, gospel storytelling, song, and prayer, in a separate liturgical space. At the beginning of Liturgy of the Word in Mass the participating children leave the church with the LWC presider and volunteer parents; they return to church and to their families during the Preparation of the Gifts.

LWC is recommended for children in pre-school through 6th Grade.

Safe Environment

All parents as well as adults and teens who have contact with children as part of OSD and Children's Church are required to participate in the Safe Environment efforts as administered by the parish and the Office of Safe Environment of the Diocese of Brooklyn. This includes VIRTUS, a training on child abuse prevention, and Child Lures, an information and empowering training for children in Grades K-8, as well as for parents, that zooms in on methods predators use to lure children into harmful situations.

Parent Covenant

Our parish catechetical and discipleship formation programs for children cannot function without you. We rely on parent support and involvement in almost every part of the program. This includes:

- to participate regularly in Sunday Mass with your children
- to work with your child in the at home components of the OSD program
- to support maintaining a Safe Environment for our children through VIRTUS training
- to serve as catechists, teaching assistants and helpers
- to serve with Children's Church
- to alert pastoral staff of needs and concerns
- to be active members of the community of the Oratory
